REVOCATION AND POWER OF ATTORNEY

Assistant Commissioner for Patents
Washington, DC 20231

S I R :

Northwestern University, organized and existing under the laws of Illinois, and having a place of business at Evanston, Illinois certifies that it is the assignee of the entire right, title and interest in, to and under the invention described and claimed in the above-identified patent application identified above by virtue of:

An assignment from the inventors of the patent application identified above. The assignment (3 counterparts) was filed on October 27, 2000 and recorded in the Patent and Trademark Office at Reel 011309 and Frames 0147, 0150, and 0153 respectively.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned (whose title is supplied below) is empowered to act on behalf of the assignee.

The undersigned hereby declares that all statements made herein of her own knowledge are true, and that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Pursuant to 37 C.F.R. §3.73(b), Northwestern University, the assignee of the entire right, title and interest in, to and under the invention described and claimed in the above-identified patent application hereby seeks to take action in the above-identified patent application.
